

Mira Costa Boy's Basketball Booster Club
2009-2010
CostaBasketball.com

The Mira Costa Boy's Basketball Program is looking forward to a successful 2009-2010 season. To help the program achieve that success, you are encouraged to join the Boy's Basketball Booster Club. All monies go directly to our program. The funds are typically used to pay for new uniforms, coaching equipment, trainer overtime, gym rental, referee fees, basketball clinics, and weight and conditioning equipment.

All Members of the Booster Club will be recognized in the basketball program. Champion level members will be recognized on the message board at each home game. (To ensure inclusion in the program, mail donations no later than 12/1/09). Anyone who contributes \$250 or more will receive a season pass which will admit them free to all home games. To encourage more participation, a second season pass will be available for only \$50 more.

Thank you for support of the Mira Costa Boy's Basketball Program!

Please make checks payable to the Manhattan Beach Athletic Foundation and mail, along with the completed forms below, to Anne Ozer, 1430 5th Street, Manhattan Beach, Ca. 90266.
