

Costa Basketball Booster's Club
Coach's Gift Donation 2008
CostaBasketball.com

Traditionally, money is collected from all teams members in order to purchase thank you gifts for our coaches. The gifts are presented to the coaches by the team at our end of the season banquet. As you can imagine, it is difficult to collect money from all the players once the season ends. In an effort to make this process easier, we have found it easier to collect for the gifts at the beginning of the season.

Suggested donation is \$25.00 or more per player.

Please return the bottom portion of this form along with your check made payable to Manhattan Beach Athletic Foundation and mail to:
