Dear Friends of MBYB:

As a non-profit all volunteer organization, MBYB has kept the registration of fees at a minimum in order to give opportunities to the youth of our community. As you are aware, these fees cannot cover the cost of facilities for games, uniforms, equipment, referees', insurance, pictures, trophies, etc. We have always appreciated the extra assistance so many of you have helped to provide in the past years. Last year there were 1347 registered players and this year we expect an even larger turn out.

Last year 167 families chose to be "Friends of MBYB." Thanks to the generosity of these Friends of Manhattan Beach Youth Basketball, we are able to continue to partner with various organizations and major donors in our community to provide a safe and full service recreational environment for our players.

The MBYB will continue to donate to our youths to foster teamwork and winning spirits. You have had an opportunity to see where your dollars have made a difference. As we enter into a new season at the new and improved Mira Costa High School gym, know that this was made possible through your past support. This year we hope even more families will choose to participate in giving. These partnerships will continue to provide our youth with state of the art facilities and other much needed program needs.

If you wish to become a "Friend of MBYB", we will be most grateful for anything you maybe willing to contribute. Know that together we can improve the programs for all our children and most of all you will be the recipient of at least 1600 "thank yous".

I/We wish to become Friends of MBYB. Enclosed is our check for:
