

Dear Mira Costa Basketball Families,

WELCOME to the 2017-2018 Costa Basketball! We anticipate a great year of basketball! Plans for a successful, fun-filled season are already under way. Please join in a **parent information meeting on Wednesday, September 27th at 7:00PM at the Joslyn Community Center – 1601 N. Valley Dr., MB.** Coach Amaral will speak to parents about the upcoming season and the Basketball Boosters will walk through this year's events. ALL NEW basketball gear will be available!

As you know, the Boys Basketball Boosters are always hard at work to make sure that our players have the financial support they need for an awesome basketball experience at Mira Costa. This program is almost 100% funded by the booster club. **Without family support, we would not be able to cover many program costs such as, tournament fees, transportation, coaching/trainer stipends, uniforms etc.** We are grateful that MBUSD will cover the basic cost of 4 coaching stipends. This has allowed us to keep the cost of our suggested donation down. Based on the planned activities this coming season, which are reflected in this year's budget, we are suggesting a donation of **\$275 for each family.** The preferred method of donation is by check made out to MBX Foundation. **Please send checks to Staci Carey, 2605 Elm Avenue, Manhattan Beach, CA 90266.** You may also submit your donation online at:

<http://mbxfoundation.org/shop/product/61-boys-basketball>

The Costa Booster Donor Program is another way to support the program. If you choose to participate in the donor program you may also donate online. Just change the amount in the MBX box to reflect your donation level, (defined below). ASK and donor donations are **tax deductible: tax ID #02-0603467.** **There are so many other program enhancements throughout the year. Please consider participating in a donor level!** Please note, if you haven't done so already, we will be collecting the **ASK** donation, **booster level** donations, and selling **Costa Basketball gear** at the parent meeting. We will be taking credit cards at that time, however the booster club will incur a fee for cc payments, therefore checks and cash are preferred.

This year there will be great moments and great opportunities for our players! Thank you for your support and enthusiasm for Costa Basketball!
